

## WHITEDUCK HEELERS - HEALTH GUARANTEE

*(This is not the contract for Full AKC rights)*

The puppy sold is guaranteed to be healthy pet only and free from apparent congenial (born with) defects – that prevent the pup from living a normal life – to the best of my ability to determine (warranty does not cover cryptorchids, umbilical hernia or over/underbites.) ALL PUPPIES ARE SOLD AS HEALTHY PETS ONLY. No guarantees are made in the areas of show quality, working capabilities, breeding capabilities, personality, temperament, agility, obedience, etc. I do my very best to place each pup in the right home.

For the protection of the buyer I give the buyer, I give the buyer a general health guarantee of ten days after the removal from my home. If within a ten day period, a licensed veterinarian and my veterinarian determines serious illness or congenital defect exists the puppy if returned within ten days during the guarantee period along with the examining veterinarian's letter certifying the condition, will be accepted in exchange for a puppy of equal or lesser value immediately or as soon as an exchange puppy is available. General or congenital health guarantee does not cover parasites, mites, dacryostenosis, coccidia, giardia and/or any minor illness that can be treated with medicine. My pups are dewormed but it is a common occurrence for pups to have parasites so please do stool sample at your first vet visit.

I offer a congenital health guarantee for one year starting on puppy's date of birth.

If within the one year, a licensed veterinarian and my veterinarian determines a serious congenital defect exists and submits a letter certifying the condition to Lisa Czarkowski and/or my vet, the puppy will be replaced with a puppy of equal or lesser value immediately or as soon as a puppy is available. NO CASH REFUNDS WILL BE GIVEN. I DO NOT REIMBURSE OR PAY EXPENSES WHICH INCLUDES VET OR SPECIALIST EXPENSES, TRANSPORTATION EXPENSES, MEDICATION, SURGICAL, ETC. I CANNOT GUARANTEE A PUPPIES PERSONALITY OR TEMPERAMENT. THE BUYER IS RESPONSIBLE FOR ALL SHIPPING COSTS IF PUPPY NEEDS TO BE SHIPPED.

Please spay or neuter your dog by six months if sold as a pet on limited AKC registration. ACD's offspring can be born with genetic PRA PRCD (blindness) disorder and/or deaf IF bred to an ACD with the blind and/or deaf trait. Deafness and blindness is very common in ACD's so genetic testing is very important to eliminate this trait. IF YOUR DOG WAS SOLD FOR BREEDING PURPOSES, ON FULL AKC REGISTRATION, IT IS HIGHLY RECOMMENDED TO TEST YOUR DOG'S HIPS, ELBOWS, EYES, AND HEARING BEFORE BREEDING. If you DO NOT know how to produce a FULL bred HEALTHY puppy with a good temperament then please DO NOT breed. There are too many unhealthy mixed breeds in shelters. I do not hold you legally bound to spay or neuter your dog.

The buyer must begin your pups AKC registration name with "WHITEDUCK" and you must register your pup with the AKC within two months of pup purchase. If buyer fails to use "WHITEDUCK" or fails to register a dog in accordance with this paragraph, all guarantees made by the seller in this contract will become void. Also, the buyer, gives permission to the seller, Lisa Czarkowski, to change, void, or revoke AKC registration if AKC name does not begin with "WHITEDUCK". Buyer is responsible for all AKC fees. Please contact me if you do not know how to complete the AKC registration.

THIS PUPP IS GUARANTEED TO BE PRA "A" (NORMAL/CLEAR) OR PRA "B" (CARRIER) SO PUP WILL NOT BE AFFECTED WITH GENETIC PRA-PRCD BLINDNESS. NOR WILL PUP BE AFFECTED WITH PLL OR RCD4. COPY OF PARENTS' PRA, PLL, RCD4 TEST RESULTS WILL BE PROVIDED UPON REQUEST.

Information on this contract supersedes any information on other advertising websites. Deposit is nonrefundable.

All liability of the kennel ceases on the expiration of the warranty period.

### **Pennsylvania Dog Purchaser Protection Act:**

Dogs can be our dearest friends. That's why the unwitting purchase of an unhealthy pet can be so devastating. In an effort to ensure that consumers buying a dog in Pennsylvania know their new pet has a clean bill of health, Pennsylvania's dog sellers and breeders must now post a visible notice that informs consumers of their rights under the state's Dog Purchaser Protection Act, also known as the "Puppy Lemon Law". Sellers and breeders must also provide a written copy of the consumer's rights at the time of the sale.

- 1.) A seller shall provide you with a health record for the dog at the time of sale. The health record must contain information as required by the Law.
  
- 2.) The seller shall provide a health certificate issued by a veterinarian within 21 days prior to the date of sale OR a guarantee of good health issued and signed by the seller. The health certificate and the guarantee of good health must contain information as required by the Law.
  
- 3.) To preserve your rights under the Law, you must take your newly purchased dog to a licensed veterinarian for examination within 10 days of purchase. If a veterinarian determines, within 10 days of purchase, that your dog is clinically ill or has died from an injury sustained or illness likely to have been contracted on or before the date of sale and delivery, you have the following options:(a) Return the dog for a complete refund; (b) Return the dog for a replacement dog of equal value; OR (c) Retain the dog and receive reimbursement for reasonable veterinary fees, not exceeding the purchase price. These options do not apply where a seller, who has provided a health certificate issued by a veterinarian, discloses in writing at the time of sale the health problem for which the buyer later seeks to return the dog.
  
- 4.) If, within 30 days of purchase, a licensed veterinarian determines that your dog has a congenital or hereditary defect which adversely affects the animal's health or that your dog died from a congenital or hereditary defect, you have the same options as outlined in Section 3 (above).
  
- 5.) Within 2 business days of a veterinarian's certification of your dog's illness, defect or death, you must notify the seller of the name, address and telephone number of the examining veterinarian. Failure to notify the seller within 2 business days will result in forfeiture of rights.
  
- 6.) Refunds or reimbursements shall be made no later than 14 days after the seller receives the veterinarian certification. Veterinarian certification shall be presented to the seller not later than 5 days after you receive it.
  
- 7.) Registerable Dogs - If the seller does not provide within 120 days all documentation to effect registration, you may exercise one of the following options:(a) Return the dog and receive a full refund of the purchase price; OR (b) Retain the dog and receive a 50% refund of the purchase price.
  
- 8.) If registerable, the seller shall provide at the time of sale: the breeder's name and address, the name and registration number of the dam and sire, and the name and address of the pedigree registry organization where the dam and sire are registered.
